# 2012 Proof of Appliance Recycling

**Not to be filled out by member**

A recycling receipt must be used to claim reimbursement and/or incentive when attached to this form.

**By signing the following:**

I certify that either I am a licensed recycler or that this appliance will be turned over to a licensed recycler and that the appliance(s):

- Was/were in working order when received
- Will be removed from service (not resold or reused)
- Will be fully disposed including refrigeration and mercury components and that refrigerants and CFCs will be recycled following federal, state and local laws.

I further attest the following information is accurate and that this appliance was turned in by the resident listed on this rebate application.
