

Can you
Wait 'til eight
to run your
dishwasher?

Efficiency Tips

- ▶ Wash only full loads
- ▶ Use energy-saving cycles
- ▶ Use the no-heat, air-dry feature (if yours is older and doesn't have this feature, open the door after the final rinse cycle)
- ▶ Don't pre-rinse dishes
- ▶ If there is a booster heater, turn down your water heater thermostat
- ▶ Start dishwasher so it runs after you go to bed

You can help minimize power costs
by using energy wisely.

Please wait until after 8 p.m. before
using major appliances.
